Texas law establishes a system, administered by the Texas Life, Accident, Health and Hospital Service Insurance Guaranty Association (the “Association”), to protect policyholders if their life or health insurance company fails to or cannot meet its contractual obligations. Only the policyholders of insurance companies which are members of the Association are eligible for this protection. However, even if a company is a member of the Association, protection is limited and policyholders must meet certain guidelines to qualify. (The law is found in the Texas Insurance Code, Article 21.28-D.)

BECAUSE OF STATUTORY LIMITATIONS ON POLICYHOLDER PROTECTION, IT IS POSSIBLE THAT THE ASSOCIATION MAY NOT COVER YOUR POLICY OR MAY NOT COVER YOUR POLICY IN FULL.

Eligibility for Protection by the Association

When an insurance company which is a member of the Association is designated as impaired by the Texas Commissioner of Insurance, the Association provides coverage to policyholders who are:

• residents of Texas at the time that their insurance company is impaired
• residents of other states, ONLY if the following conditions are met:
  1) The policyholder has a policy with a company based in Texas;
  2) The company has never held a license in the policyholder’s state of residence;
  3) The policyholder’s state of residence has a similar guaranty association; and
  4) The policyholder is not eligible for coverage by the guaranty association of the policyholder’s state of residence.

Limits of Protection by the Association

Accident, Accident and Health, or Health Insurance:

• up to a total of $200,000 for one or more policies for each individual covered.

Life Insurance:

• net cash surrender value up to a total of $100,000 under one or more policies on any one life; or
• death benefits up to a total of $300,000 under one or more policies on any one life.

Individual Annuities:

• net cash surrender amount up to a total of $100,000 under one or more policies owned by one contractholder.

Group Annuities:

• net cash surrender amount up to $100,000 in allocated benefits under one or more policies owned by one contractholder; or
• net cash surrender amount up to $5,000,000 in unallocated benefits under one contractholder regardless of the number of contracts.
THE INSURANCE COMPANY AND ITS AGENTS ARE PROHIBITED BY LAW FROM USING THE EXISTENCE OF THE ASSOCIATION FOR THE PURPOSE OF SALES, SOLICITATION, OR INDUCEMENT TO PURCHASE ANY FORM OF INSURANCE.

When you are selecting an insurance company, you should not rely on coverage by the Association.

PRE-TREATMENT CERTIFICATION

Pre-treatment Certification (Certification) requires You, Your representative or Your Physician to notify Our review agency of all Hospital admissions, including inpatient surgery.

Certification is a review process to determine the Medical Necessity of a Hospital admission or proposed surgery. A determination as to the necessary length of a Hospital stay is also made. You or Your Physician may, at any time prior to discharge, request a reevaluation or extension of the number of Hospital days certified.

If Certification is not completed, benefits will be reduced. The reduction is shown on the Schedule.

Certification will be valid for 60 days for the requesting Physician and the named Hospital. A change in Physician or Hospital will require a new Certification.

How to Certify: To certify a Hospital admission or surgery, call the telephone number on Your identification card. Be prepared to give the following information:

• Insured's name, social security number and Policy Number.
• Patient’s name and date of birth.
• Hospital name and address.
• Physician’s name and telephone number.
• The diagnosis (what is wrong).
• The treatment (what will be done and when).

It is Your responsibility to ensure that proper Certification is made. We recommend that You follow-up with the attending Physician to ensure that all medical information is provided.

If We do not agree with the Medical Necessity of any treatment, we will pay 100% of the Usual and Customary charge for a second opinion, subject to the annual deductible. If the second opinion does not confirm the Medical Necessity of the treatment, no benefits will be payable for any expense related to the Hospital confinement, including surgical expenses.

When to Call: For routine elective admission or surgery, You must call at least 2 business days before You are admitted to the Hospital.
Emergency admission: An Emergency admission must be called in within 48 hours of the admission or the next business day if a weekend or holiday is involved.

Transplants: a transplant procedure must be called in before the transplant benefit period begins.

If it is not reasonably possible to make the Certification call within the times provided, payment will not be reduced if the call is made as soon as is reasonably possible.

**Certification does not guarantee that proposed Hospital admissions or surgeries are covered under the Policy. Please read the coverage provisions carefully.**

PREMIUM PROVISIONS

PAYMENT OF PREMIUM

All premium, charges or fees (hereinafter "Premium") must be paid to Us at Our home office. All Premium is payable in advance.

We reserve the right to change the method of Premium payment selected with proper notice to You.
DUE DATE

The first Premium is due on the Effective Date of coverage. Subsequent Premium is due on the premium payment date shown on the Schedule. Failure to pay Premium when due shall result in termination of coverage on such due date subject to the Grace Period.

RETURNED OR DISHONORED PAYMENT

If a payment for any Premium is dishonored for insufficient funds, a reasonable service charge may be debited to You. A dishonored payment shall be considered a failure to pay Premium. A rejected debit to Your bank account or credit card shall be considered a failure to pay Premium.

If Your selected method of payment is dishonored as described, You will need to submit Premium in a method acceptable to Us prior to the end of the grace period.

GRACE PERIOD

If written notice of termination has not been received from You, a Grace Period of 31 days will be allowed for each Premium payment after the first Premium. If any Premium is unpaid at the end of the Grace Period, coverage shall automatically terminate on the last day for which Premium has been paid.

REINSTATEMENT

If coverage ends for failure to pay Premium, You may request a reinstatement. Such request must be in writing and submitted within 90 days from the date coverage ended and is subject to Our approval. If approved by Us, reinstated coverage will become effective on the date We assign. Credit will be given for waiting periods satisfied prior to the date coverage ended.

CLAIMS PAYMENT PROVISIONS

NOTICE OF CLAIM

We must receive written notice of claim within 30 days after a covered loss starts or as soon thereafter as reasonably possible. Notice should include Your name and Policy Number. Notice may be provided by the custodial parent or child support agency with a duty to collect or enforce support for the child.
CLAIM FORMS

When We receive the notice of claim, We will send You forms for filing a Proof of Loss. If these forms are not sent to You or the custodial parent or child support agency with a duty to collect or enforce support for the child within 15 days, the Proof of Loss requirement may be met by giving Us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section.

PROOF OF LOSS

Written Proof of Loss must be completed and returned to Us within 90 days or as soon thereafter as reasonably possible. Except for absence of legal capacity, no claim for benefits will be accepted after one year from the date treatment was completed.

FORGIVENESS OF OUT-OF-POCKET MAXIMUMS AND/OR DEDUCTIBLE

If any provider intentionally does not collect (forgives) any Covered Charge amount, benefits payable will be recalculated as follows:

- The amount accepted by the provider as payment in full will be considered the actual fee (i.e. the reported charge less any forgiven amount).
- The adjusted charge will be reduced by the applicable Deductible.
- The corresponding Insured Percent will be applied to the result.

Any resulting overpayment will be billed to You without prejudicing any other right or remedy available to Us at law or in equity.

PAYMENT OF CLAIMS

Benefits will be paid to You, unless assigned to the provider. In the case of a Dependent child in the legal custody of a person other than You, payment may be made directly to the custodian or child support agency with a duty to collect or enforce support for the child, at Our discretion or as required by law. Any unpaid Premium that is due may be deducted from a claim. Payment will be made not more than 60 days after receipt of valid written proof of loss. Payment of benefits will discharge Us from all liability to You and Your beneficiary.

Benefits will be paid to the Texas Department of Human Services for actual costs of medical expenses paid on behalf of a Covered Person by the Texas Department of Human Services. Benefits so paid will, in no event, exceed benefits otherwise payable to You.

Benefits will be paid to the Texas Department of Human Services on behalf of Your child if:

- You are a possessory conservator of the child under a court order issued by a court in the State of Texas or if You are not entitled to possession of or access to the child and You are required by court order or court approved agreement to pay child support;
- The Texas Department of Human Services is paying benefits on behalf of the child; and
- We are notified in writing through an attachment to the claim for benefits when the claim is first submitted to Us that the benefits must be paid directly to the Texas Department of Human Services.

PAYMENT ERROR

Any benefit paid in error may be recovered from the person receiving the incorrect payment or from You. At Our option, We may offset the overpayment against future benefit payments. The acceptance of Premium or paying other benefits shall not constitute a waiver of Our rights under this section. Recovery or offset shall be in addition to any other remedies available to Us at law or in equity.
FRAUDULENT CLAIM SUBMISSION

If any Covered Person knowingly submits or participates in the submission of a claim for benefits which contains false or misleading information that would have the effect of increasing the benefit payable, We shall have the right to rescind that Covered Person's coverage to the date the fraud was perpetrated. Such rescission is without prejudice to any other right or remedy available to Us at law or in equity.

APPEAL OF DENIED CLAIMS

If a claim for benefits is wholly or partially denied, You will be sent a written notice of the decision. This notice will:

- Give the specific reason(s) for the denial;
- Make specific reference to the provisions on which the denial is based; and

- Submit issues and comments in writing.

We will make a decision no more than 60 days after receipt of the request, except in special circumstances, but in no case more than 120 days after the request for review is received. The written decision will include specific references to the provision(s) on which the decision is based.

Company has full, exclusive and discretionary authority to determine all questions arising in connection with the Policy, including its interpretation.

**STATEMENTS IN THE APPLICATION**

No statement made by You shall be used to contest coverage or reduce benefits unless: (a) the statement is contained in an application; and (b) a copy of the statement is furnished to You.

After a Covered Person’s coverage has been in effect for 2 years, during the lifetime of that person, only material misstatements in the application may be used to void coverage or deny any claim.

**MISSTATEMENT OF AGE**

If the age of a Covered Person is misstated such that coverage is provided for which the person is not otherwise eligible at the correct age, the misapplied coverage shall be rescinded and any applicable Premium refunded.

If the age of a Covered Person is misstated such that the person is eligible for coverage at the correct age, Premium will be adjusted. Any additional Premium due must be paid within 31 days of receiving a notice of the amount due.
