

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE
MONTANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Montana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Montana Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in Montana and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well -managed and financially stable.

IMPORTANT DISCLAIMER

The Montana Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Montana. You should not rely on coverage by the Montana Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

COVERAGE IS NOT PROVIDED BY THE MONTANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION FOR YOUR POLICY OR CONTRACT OR ANY PORTION OF IT UNDER WHICH THE RISK IS BORNE BY YOU, THE POLICYHOLDER.

Insurance companies or their agents are required by law to give or send you this notice. **However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.**

The state law that provides for this safety-net is called the Montana Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association

COVERAGE

Generally, individuals will be protected by the Montana Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

Persons holding such policies are **not** protected by this Association if:

they are not residents of the State of Montana, except under certain very specific circumstances;
the insurer was not authorized to do business in Montana at the time the policy or contract was issued.

The Association also does **not** provide coverage for:

persons holding policies issued by a non-profit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
any policies or contracts or any part of the policies or contracts under which the risk is borne by the policyholder;
any policy of reinsurance (unless an assumption certificate was issued);
interest rate yields that exceed an average rate;
dividends;
experience rating credits given in connection with the administration of a policy by a group contract holder;
plans of employers, associations or similar entities to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).
any unallocated annuity contract issued to an employee benefit plan that is protected under the Federal Pension Benefit Guaranty Corporation; and
any portion of any unallocated annuity contract that is not issued to or in connection with a specific employee, union, or association of natural persons benefit plan or a government lottery.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Furthermore, the amounts the Association is authorized to pay are limited.

Allocated Contracts. For any one insured life, the Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Unallocated Contracts. With respect to each individual participating in a governmental retirement plan established under sections 401, 403(b), or 457 of the Internal Revenue Code and covered by an unallocated annuity contract or with respect to the beneficiaries of each individual, if deceased, the Association will pay, in the aggregate, \$100,000 in present value of annuity benefits, including surrender and withdrawal values. With respect to any one contract holder covered by any unallocated annuity contract not included in the prior sentence, the Association will pay up to \$5 million in benefits, irrespective of the number of contracts held by that contract holder.

PRE-TREATMENT CERTIFICATION

Pre-treatment Certification (Certification) requires You, Your representative or Your Physician to notify our review agency of all Hospital admissions, including inpatient surgery.

Certification is a review process to determine the Medical Necessity of a Hospital admission or proposed surgery. A determination as to the necessary length of a Hospital stay is also made. You or Your Physician may, at any time prior to discharge, request a reevaluation or extension of the number of Hospital days certified.

If Certification is not completed, benefits will be reduced. The reduction is shown on the Schedule.

Certification will be valid for 60 days for the requesting Physician and the named Hospital. A change in Physician or Hospital will require a new Certification.

How to Certify: To certify a Hospital admission or surgery, call the telephone number on Your identification card. Be prepared to give the following information:

- Insured's name, social security number and Certificate Number.
- Patient's name and date of birth.
- Hospital name and address.
- Physician's name and telephone number.
- The diagnosis (what is wrong).
- The treatment (what will be done and when).

It is Your responsibility to ensure that proper Certification is made. We recommend that You follow-up with the attending Physician to ensure that all medical information is provided.

If We do not agree with the Medical Necessity of any treatment, we will pay 100% of the Usual and Customary charge for a second opinion, subject to the annual deductible. If the second opinion does not confirm the Medical Necessity of the treatment, no benefits will be payable for any expense related to the Hospital confinement, including surgical expenses.

When to Call: For routine elective admission or surgery, You must call at least 2 business days before You are admitted to the Hospital.

Emergency admission: An Emergency admission must be called in within 48 hours of the admission or the next business day if a weekend or holiday is involved.

Transplants: a transplant procedure must be called in before the transplant benefit period begins.

If it is not reasonably possible to make the Certification call within the times provided, payment will not be reduced if the call is made as soon as is reasonably possible.

Certification does not guarantee that proposed Hospital admissions or surgeries are covered under this Certificate. Please read the coverage provisions carefully.

PREMIUM PROVISIONS

PAYMENT OF PREMIUM

Premiums for your coverage are paid through the Policyholder or its designee. Premiums must be paid on or before the date they are due.

We reserve the right to change the method of Premium payment selected with proper notice to You.

DUE DATE

The first Premium is due on the Effective Date of coverage. Subsequent Premium is due on the premium payment date. Failure to pay Premium when due shall result in termination of coverage on such due date subject to the Grace Period.

RETURNED OR DISHONORED PAYMENT

If a payment for any Premium is dishonored for insufficient funds, a reasonable service charge may be debited to You. A dishonored payment shall be considered a failure to pay Premium. A rejected debit to Your bank account or credit card shall be considered a failure to pay Premium.

If Your selected method of payment is dishonored as described, You will need to submit Premium in a method acceptable to Us prior to the end of the grace period.

GRACE PERIOD

If written notice of termination has not been received from You, a Grace Period of 31 days will be allowed for each Premium payment after the first Premium. If any Premium is unpaid at the end of the Grace Period, coverage shall automatically terminate on the last day for which Premium has been paid.

REINSTATEMENT

If coverage ends for failure to pay Premium, You may request a reinstatement. Such request must be in writing and submitted within 90 days from the date coverage ended and is subject to Our approval. If approved by Us, reinstated coverage will become effective on the date We assign. Credit will be given for waiting periods satisfied prior to the date coverage ended.

PREMIUM ADJUSTMENT

Premium rates may be adjusted from time to time, but no more than once in a 12-month period for a premium increase, as determined necessary by Us. No rate adjustment will take effect until:

CLAIMS PAYMENT PROVISIONS

NOTICE OF CLAIM

We must receive written notice of claim within 6 months after a covered loss starts or as soon thereafter as reasonably possible. Notice should include Your name and Certificate Number. The notice can be sent to Us at Our home office, or to our agent.

CLAIM FORMS

When We receive the notice of claim, We will send You forms for filing a Proof of Loss. If these forms are not sent to You within 15 days, You will meet the Proof of Loss requirement by giving Us a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss section.

PROOF OF LOSS

Written Proof of Loss must be completed and returned to Us within 90 days or as soon thereafter as reasonably possible. Except for absence of legal capacity, no claim for benefits will be accepted after one year from the date treatment was completed.

FORGIVENESS OF OUT-OF-POCKET MAXIMUMS AND/OR DEDUCTIBLE

If any provider intentionally does not collect (forgives) any Covered Charge amount, benefits payable will be recalculated as follows:

- The amount accepted by the provider as payment in full will be considered the actual fee (i.e. the reported charge less any forgiven amount).
- The adjusted charge will be reduced by the applicable Deductible.
- The corresponding Insured Percent will be applied to the result.

Any resulting overpayment will be billed to You without prejudicing any other right or remedy available to Us at law or in equity.

PAYMENT OF CLAIMS

Benefits will be paid to You, unless assigned to the provider. In the case of a Dependent child in the legal custody of a person other than You, payment may be made directly to the custodian, at Our discretion or as required by law. Any unpaid Premium that is due may be deducted from a claim. Payment of benefits will discharge Us from all liability to You and Your beneficiary.

PAYMENT ERROR

Any benefit paid in error may be recovered from the person receiving the incorrect payment or from You. At Our option, We may offset the overpayment against future benefit payments. The acceptance of Premium or paying other benefits shall not constitute a waiver of Our rights under this section. Recovery or offset shall be in addition to any other remedies available to Us at law or in equity.

FRAUDULENT CLAIM SUBMISSION

If any Covered Person knowingly submits or participates in the submission of a claim for benefits which contains false or misleading information that would have the effect of increasing the benefit payable, We shall have the right to rescind that Covered Person's coverage to the date the fraud was perpetrated. Such rescission is without prejudice to any other right or remedy available to Us at law or in equity.

APPEAL OF DENIED CLAIMS

If a claim for benefits is wholly or partially denied, You will be sent a written notice of the decision. This notice will:

- Give the specific reason(s) for the denial;
- Make specific reference to the provisions on which the denial is based; and
- Provide an explanation of the review procedure.

On any denied claim, You or Your representative may appeal to Us for a full and fair review. You may:

- Request a review in writing within 60 days of receipt of a claim denial; and
- Submit issues and comments in writing.

We will make a decision no more than 60 days after receipt of the request, except in special circumstances, but in no case more than 120 days after the request for review is received. The written decision will include specific references to the provision(s) on which the decision is based.

PHYSICAL EXAMINATIONS

We have the right, at Our expense, to have a Covered Person examined as often as reasonably necessary while a claim on that Covered Person is pending.

ITCMTCP40000

GENERAL PROVISIONS

STATEMENTS IN THE APPLICATION

All statements made in Your application, in the absence of fraud, are considered to be representations and not warranties. No statement made by You shall be used to contest coverage or reduce benefits unless: (a) the statement is contained in an application; and (b) a copy of the statement is furnished to You.

After a Covered Person's coverage has been in effect for 2 years, during the lifetime of that person, only fraudulent misstatements in the application may be used to void coverage or deny any claim.

No claim for loss incurred after 12 months from the date a person becomes a Covered Person will be reduced or denied because a condition not excluded by name or specific description on the date of loss had existed before the Covered Person's effective date of coverage.

MISSTATEMENT OF AGE

If the age of a Covered Person is misstated such that coverage is provided for which the person is not otherwise eligible at the correct age, the misapplied coverage shall be rescinded and any applicable Premium refunded.

If the age of a Covered Person is misstated such that the person is eligible for coverage at the correct age, premium will be adjusted. Any additional Premium due must be paid within 31 days of receiving a notice of the amount due.

CLERICAL ERROR

If a clerical error is made so that an otherwise eligible person's coverage does not become effective, coverage may be in effect if: (a) the person makes a written request for coverage on a form We approve; and (b) any premium not paid because of the error is paid in full from the effective date of coverage. The Company reserves the right to limit retroactive coverage to two months preceding the date the error was reported.

If a clerical error is made so that the coverage is in effect for a person who is not eligible, an adjustment will be made to correct the error. Any Premium refund will be reduced by any payment made for claims. If claims paid exceed the Premium refund, the Insured shall reimburse the Company for the overpayment.

LEGAL ACTIONS

No legal action may be brought against Us within 60 days after written Proof of Loss has been sent to Us. No such action may be brought more than 3 years from the time written proof of loss is required to be given.

ITCMTGP40000

COORDINATION OF BENEFITS

DEFINITIONS

Allowable Expense: An expense that is considered a covered charge, at least in part, by one or more of the Plans. When a Plan provides benefits by services, reasonable cash value of each service will be treated as both an Allowable Expense and a benefit paid.

Coordination of Benefits: Taking other Plans into account when We pay benefits.

Plan: Any plan, including this one, that provides benefits or services for medical expenses on a group basis. "Plan" includes group and blanket insurance and self-insured and prepaid plans. It includes government plans, plans required or provided by statute (except Medicaid), and no fault insurance (when allowed by law). "Plan" shall be treated separately for that part of a plan which reserves the right to coordinate with benefits or services of other plans and that part which does not.

Primary Plan: The Plan that, according to the rules for the Order of Benefit Determination, pays benefits before all other Plans.

Year: The Calendar Year, or any part of it, during which a person claiming benefits is covered under this Plan.

BENEFIT COORDINATION

Benefits will be adjusted so that the total payment under all Plans is no more than 100 percent of the Covered Person's Allowable Expense. In no event will total benefits paid exceed the total payable in the absence of coordination.

Only the amount of any benefit actually paid will be charged against any applicable benefit maximum.

THE ORDER OF BENEFIT DETERMINATION

1. When this is the Primary Plan, We will pay benefits as if there were no other Plans.
2. When a person is covered by a Plan without a coordination provision, the Plan without the provision will be the Primary Plan.
3. When a person is covered by more than one Plan with a coordination provision, the order of benefit payment is as follows:

- **Non-dependent/Dependent.** A Plan which covers a person other than as a Dependent will pay before a Plan which covers that person as a Dependent.
- **Dependent Child/Parents Not Separated or Divorced.** For a Dependent child, the Plan of the parent whose birthday occurs first in the Calendar Year will pay benefits first. If both parents have the same birthday, the Plan which has covered the Dependent child for the longer period will pay first.

If the other Plan uses gender to determine which Plan pays first, We will also use that basis.

- **Dependent Child/Separated or Divorced Parents.** If two or more Plans cover a person as a Dependent of separated or divorced parents, benefits for the child are determined in the following order:
 - A. The Plan of the parent who has responsibility for providing insurance as determined by a court order;
 - B. The Plan of the parent with custody of the child;
 - C. The Plan of the spouse of the parent with custody; and
 - D. The Plan of the parent without custody of the child.
 - **Dependent Child/Joint Custody.** If the joint custody court decree does not specifically state which parent is responsible for the child's medical expenses, the rules as shown for Dependent Child/Parents Not Separated or Divorced shall apply.
4. When an order of payment is not established by the above, the Plan which has covered the person for the longer period of time will pay first.

RIGHT TO EXCHANGE INFORMATION

We may release to, or obtain from, any other insurance company, organization or person information necessary for coordination. This will not require the consent of, or notice to You or any claimant. You are required to give Us information necessary for coordination.

RIGHT TO MAKE PAYMENTS TO ANOTHER PLAN

Coordination may result in payments made by another Plan which should have been made by Us. We have the right to pay such other Plan all amounts it paid which would otherwise have been paid by Us. Amounts so paid will be treated as benefits paid under this Plan. We will be discharged from liability to the extent of such payments.

RIGHT TO RECEIVE PAYMENTS

Coordination may result in overpayments by Us. We have the right to recover any excess amounts paid from any person, insurance company or other organization to whom, or for whom, payments were made.

IACXXCB40000

LIMITED RIGHT OF REIMBURSEMENT

If a Covered Person incurs medical expenses for Covered Charges that occurred due to the negligence of a third party, We will not provide any benefits unless and until the Covered Person, or his legal representative, agrees in writing:

1. To reimburse Us from any and all damages collected whether by action at law, settlement or otherwise, all benefits paid for the same medical expenses; and
2. To assign to Us, the right to recover from that third party, or its insurer, to the extent of the benefits paid under this Plan.
