

# A suite of critical illness insurance plans

Trustmark understands how important it is to provide quality coverage to employees, which is why we offer two distinct individual, voluntary critical illness products that can meet your needs no matter what you're looking for.

## Coverage for any situation

### Trustmark Critical HealthEvents®

Critical HealthEvents is a one-of-a-kind product that provides targeted protection for common critical illnesses at different stages.

#### Advantages and unique product features of Critical HealthEvents:

- Offers the highest benefits for the conditions most likely to occur (cancer, heart attack and stroke).\*
- Coverage includes benefits for early identification and early-stage diagnosis of common critical illnesses.
- The benefit replenishes annually.
- There are no separation periods or reoccurrence limitations.
- Includes option to expand the list of covered conditions through riders.

### Classic Critical Illness

Our classic critical illness plan protects policyholders in the event of a critical illness.

#### Advantages and unique product features of classic critical illness:

- Coverage for a wide range of conditions such as cancer, heart attack, stroke, ALS, renal failure, blindness and more.
- Flexibility to select coverage for critical illness only, cancer only or a combination of both.
- Offers a traditional benefit structure with covered conditions comparable to existing products on the market.
- Includes option to expand coverage to include subsequent or recurring conditions through riders.

## Voluntary Benefits

## Features available on both products

It's not strictly a choice of one or the other, some of the features which make our products so valuable are included in both products. This includes:

-  **Guaranteed renewable** and fully portable plans
-  **Availability of benefits** for routine screenings and tests
-  **Waiver of premium** options are available if policyholders qualify for the benefit under the certificate
-  **Access to Best Doctors® program** for medical advice
-  **Automatic increases in coverage without underwriting** are available through our EZ Value program

### Why Critical HealthEvents®?

Critical HealthEvents® provides a lifetime of benefits for the conditions that are most likely to occur. With benefits payable for early-stage diagnosis, early identification, early-stage diagnosis, it's a unique product on the market. Add in the replenishing annual benefit and no separation periods, and you get a product designed for maximum usability with strong protection when it's needed most.

### Why Classic Critical Illness?

With Classic Critical Illness, policyholders can feel protected no matter what life throws their way. A wide range of covered conditions means increased security for employees and their families. Along with flexible options in plan design and additional customization through riders, Classic Critical Illness helps provide the security that employers and their employees value.

We designed both of our products with the understanding that brokers and employers care deeply about providing quality benefits to employees and their families. That's why both Trustmark Critical HealthEvents® and Classic Critical Illness deliver protection that employers and their employees can count on.
