# Don't worry – you can always keep your coverage!

If you **change jobs or retire** – or your employer **stops deducting Trustmark coverage from your paycheck** – you don't have to lose your valuable Trustmark protection.

Just **give us a call**. We can set up automatic payments from your **credit card or checking account**. It's simple, fast and convenient!

## Why is it important to keep my policy?

- Keep the **same affordable rates** you locked in when you enrolled.
- You may have **already satisfied** a pre-existing condition waiting period.
- You may **not be able to get similar coverage** without a medical exam.

*Affordable insurance from a company that cares – that's how Trustmark provides you **Benefits Beyond Benefits**.*
