

Getting started with Trustmark Voluntary Benefits

Here's what comes next!

Thanks for reaching out to learn more about us! You've taken the first step towards Trustmark's voluntary benefits protection. We offer some of the most comprehensive life, critical illness, accident, hospital and disability insurance coverage in the industry, so you're well on your way to a more secure future.

How it works

Our products are only available through work

To get the coverage you're looking for, your employer has to offer the benefits at your workplace.

Ask your employer about Trustmark Voluntary Benefits

If your employer doesn't currently offer our products, share this flyer with them and ask them to reach out.

What we offer

Trustmark helps you cover out-of-pocket expenses when the unexpected happens. Our supplemental insurance products provide protection for expenses that may not be covered by your medical coverage.

Trustmark Universal LifeEvents® with Long-Term Care

- Helps protect you and your family from the financial impact of losing a loved one.
- We can include benefits for long-term care services* as well, such as a nursing home or home healthcare.

Trustmark Life + Care™

- Combines life insurance with flexible care benefits you can use to maintain your lifestyle while recovering from a health event or to support your needs for care as you age.

Trustmark Critical HealthEvents®

- Offers financial support when you're diagnosed with cancer, heart attack or stroke and may also pay benefits for earlier identification of illness.

Trustmark Paycheck Protect®

- Replaces part of your paycheck when you can't work due to a covered injury or illness.

Trustmark Hospital StayPay®

- Pays you cash benefits for hospital stays due to a covered sickness or accident, normal childbirth (with most plans) or mental wellness/addiction recovery.

Trustmark Accident

- Pays you directly to help with the cost of covered accidents.

Let's take the next step.
