

# Billing made easy

## Trustmark billing solutions for group products

Billing doesn't have to be hard – that's why Trustmark offers billing options to suit our clients' unique needs. Below is a summary of our billing options for Trustmark group health products:

	Payroll deduction	ACH draft
<b>Eligible lives</b>	Minimum 250	Minimum 250
<b>Target median salary</b>	\$60,000	\$60,000
<b>Set up</b>	Requires implementation and billing calls	Requires implementation call only
<b>Enrollment</b>	Enrollment cut-off date 20 days before payroll deduction	Enrollment completed by the 15th of the month
<b>Deduction dates</b>	Flexible monthly deduction date (1st – 28th), determined by client	<ul style="list-style-type: none"><li>· 20<sup>th</sup> – 28<sup>th</sup>, monthly deductions only, determined by client</li><li>· Enrollment cut off date is the 15th, applications taken afterward require a draft date the following month</li></ul>
<b>Timing</b>	Bills in arrears	Drafts in arrears
<b>Billing cycle</b>	Monthly/Quarterly available (Modes – 52, 26, 24, 22, 18, 12)	Not available

\*Some pay cycles may have limitations.

### Both payment methods:

- Available for all products
- Require signed Group Employer Agreement
- Provide Trustmark's dedicated service model to support billing processes
