

# Consolidated billing for payroll deduction

This New York hospital system looked to Trustmark to streamline their insurance payroll deductions – and add critical illness insurance to the mix.

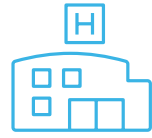

## Client Overview

HOSPITAL SYSTEM

LOCATED IN NEW YORK

31 LOCATIONS

## Challenges

- **Solve payroll-deduction issues**, while juggling billing for 10 different insurance carriers
- **Fund a consolidated billing solution** to minimize challenges

## Solutions & Key Results

### Electronic interface

Trustmark worked with the hospital system to create an electronic interface that enabled deduction changes to be automatically updated in their payroll system. They used enrollment in Trustmark critical illness insurance to help fund the program.

\$2.50 to .50 cent reduction in billing fees per employee paycheck

Reduction in errors and improved processing times

Access to much-needed critical illness insurance
