

Here's your Hall Pass to
Annual Enrollment 2019

[Cobrand here]

Hall Guard Signature: Mrs. Monitor

Go ahead, cut class.

Welcome to the [employer name]

Because you are new to the district, we invite you to use this hall pass to meet with an enrollment counselor and learn more about the voluntary benefits being offered this year.

The district has partnered with Trustmark Insurance Company to bring you voluntary benefits that can build on the benefits already provided by the district, giving you added protection that you and your family may need. Let's look at the products and the reasons you should meet with an enrollment counselor:

The products

- **Universal Life insurance with Living Benefits** for long-term care is permanent life insurance that provides coverage that will last your lifetime. It helps protect your family from financial hardship if something happens to you or your covered spouse.
- **Critical Illness insurance** is a form of financial protection that helps protect you and your family from the costs associated with a critical illness, such as a heart attack, stroke or cancer. It pays a lump-sum cash benefit that can be used any way you wish – from treatments to mortgage payments to everyday life expenses.

The reasons

- **One-on-one decision support.** Your counselor can show you how these voluntary benefits can help secure a financial future for your family. He or she can also help you choose the extra coverage that works for you and your budget.
- **Affordable, portable coverage available right here at work.** Rates are affordable and coverage is portable, which means you can take it with you and pay the same premium if you change jobs or retire.
- **Guaranteed issue coverage for first-time applicants.** New employees can apply for Trustmark Universal Life and Critical Illness insurance on a guaranteed issue basis.¹ That means all you have to do is answer a few simple questions about yourself and decide on the coverage that's right for you. To take advantage of this offer, you have to meet with an enrollment counselor.

**Use your pass wisely.
